Vince Ordini

Ewing, NJ 08638

Dear Mr. Ordini:

Please be advised that the Ewing Township Committee has appointed you to serve on the Restoration Advisory Board (RAB) associated with the closing of the Navy Air Warfare Center. This Committee will be directly involved in the on going environmental clean up at this site. We will receive information regarding various studies and surveys which have been done for the NAWC.

The Committee would like to thank you for volunteering your time to our community and your interest in serving Ewing Township. I will attempt to schedule a meeting on 5/24/94 with representatives from the Navy and their environmental staff. I believe you will find this meeting informative and a presentation will be made describing basic functions of the RAB. I will advise you through further communication, the exact time and place of this meeting.

Again, let me congratulate you on your appointment and we are looking forward to a positive working relationship with the Navy during its closing process.

Sincerely,

TOWNSHIP OF EWING
