Dear Mr. Lewandowski:

The New Jersey Department of Environmental Protection (Department) has completed its review of the Alternative Notification and Public Outreach Plan dated January 22, 2010, including the Sensitive Population and Resource Evaluation. The Department has determined that the Alternative Notification and Public Outreach Plan are in compliance with the Technical Requirements for Site Remediation, N.J.A.C. 7:26E and other applicable requirements. The Department hereby approves the Alternative Notification and Public Outreach Plan, effective the date of this letter.
