**NEW JERSEY
NAVAL AIR
WARFARE CENTER,
AIRCRAFT DIVISION
TRENTON, NJ
ANNOUNCES**

**Public Meeting and Draft
Decision Document
for soil at Installation
Restoration Site 1**

The Draft Decision Document for soil at Naval Air Warfare Center, Aircraft Division, Trenton Installation Restoration (IR) Site 1 (Brine Handling Arca and West-end Drainage Ditch) has been placed in the Center's Administrative Record and is available for public review in the Center's document repository at the Mercer County Library, 61 Scotch Road, Ewing, NJ.

Contaminated soil from Site 1 is scheduled to be excavated for proper off-site disposal. A public meeting to present this decision for soil at Site 1 will be held on June 24, 1998 at 8:00 a.m. at the Ewing Township Municipal Building, 2 Municipal Drive, Ewing, NJ. This meeting is being held to present the selected alternative for soil at this site. Groundwater at the facility will be addressed separately in a future decision document and public meeting.

The public comment period for this site will be from 20 June to 20 July 1998. During this time comments relative to the decision for soil at this site can be sent to the Base Environmental Coordinator: Ken Smith, P.O. Box 7176, Ewing, NJ 08628-0176.
