Subject: *Draft Project Plans, Base-Wide Background Investigation, Naval Weapons Station Yorktown, Cheatham Annex Site, Williamsburg, Virginia, April 2001*
Correction to the Cheatham Annex Administrative Record

Dear Mr. Murray:

This letter to the Cheatham Annex Administrative Record (AR) is being submitted to clarify that the *Draft Project Plans, Base-Wide Background Investigation, Naval Weapons Station Yorktown, Yorktown, Virginia, Cheatham Annex Site* (AR document 001564) is considered the final version of the document.

The draft document was submitted for Partnering Team review April 2001. According to the February 2002 Partnering meeting minutes, a concurrence request to "cancel the final" document was proposed because: (1) comments on the draft were discussed and resolved at Partnering, and (2) the fieldwork was complete. In addition, the Background Investigation report that followed the fieldwork is final.¹ Therefore, it is appropriate to consider the referenced document as the final document.

If you have any questions, please contact me at 757-873-1442, x41634.

Sincerely,

CH2M HILL
