IN REPLY REFER TO
5090
1152SMA

2 FEB 1989

From: Commander, Atlantic Division, Naval Facilities Engineering Command
To: Chief of Naval Operations, Navy Department, Washington, DC (OP-453)
Via: Commander, Naval Facilities Engineering Command (Code 181)

Subj: TECHNICAL REVIEW COMMITTEE (TRC) IN THE INSTALLATION RESTORATION (IR)
PROGRAM

Ref: (a) CNO ltr 5090 Ser 453/8U586409 of 18 Oct 88
(b) LANTNAVFACENCOM ltr 5090 1152SMA of 15 Nov 88

Encl: (1) Atlantic Division Technical Review Committees Status

1. A number of activities in the LANTNAVFACENCOM area were requested by reference (a) to establish subject committees. Reference (b) was issued to help these activities meet the 30 January 1989 deadline.
2. Enclosure (1) is provided for information purposes and lists the activities for which TRCs have been or will be established and the actual or anticipated dates for the initial TRC meeting for each activity. Every effort was made to meet the 30 January 1989 deadline; however, staffing constraints at LANTNAVFACENCOM and contract modifications over the holiday season have made this impossible.
3. The minutes from the meetings listed in enclosure (1) will be forwarded to you through the activities' Echelon II Command.
4. The LANTNAVFACENCOM point of contact with regard to the above information is Ms. Sheila Ashton, Code 1152, who may be reached at AUTOVON 565-1814 or commercial (804) 445-1814 with any questions you may have.
