Re: Naval Weapons Station, Yorktown, Va.
Final *Master Project Plans*

Dear Ms. Norton:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's final *Master Project Plans* for the performance of restoration activities at the Naval Weapons Station-Yorktown (WPNSTA) NPL facility, and we have no significant comments to offer on these documents. In accordance with the procedures outlined in the draft Federal Facilities Agreement for the WPNSTA (Section 10), EPA considers the *Master Project Plans* to be finalized.

If you have any questions regarding the above, please feel free to call me at (215) 597-1110,

Sincerely,
