Re: Naval Weapons Station, Yorktown, Va.  
Review of draft final *Site Management Plan FY 94 and 95*

Dear Ms. Norton:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's draft final *Site Management Plan FY 94 and 95* for the Naval Weapons Station-Yorktown NPL site (WPNSTA), and we offer the following comments and concerns:

1. Appendix B, Figure B-5

The start and finish dates contained in this figure are a little confusing. EPA was not aware of any removal action for Site Screening Area 18 starting on September 30, 1993. Please insure that the dates contained in this figure to be included in the final *SMP* reflect the actual events that have occurred or are planned to occur.

This concludes EPA's comments on the Navy's draft final *Site Management Plan FY 94 and 95* for the WPNSTA. If you have any questions concerning EPA's review comments, please feel free to call me at (215) 597-1110,

Sincerely,
