Navy CLEAN, District III
Contract Task Order (CTO) 0306
Draft FY 96/97 Site Management Plan Update
Naval Weapons Station Yorktown, Yorktown, Virginia

Dear Mrs. Norton:

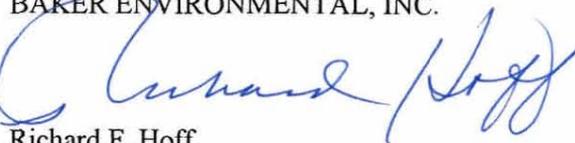

Baker Environmental (Baker) is pleased to submit the Draft Site Management Plan (SMP) Update, Fiscal Year (FY) 1996/1997 for Naval Weapons Station Yorktown, Yorktown, Virginia (WPNSTA Yorktown). A total of four copies (replacement pages only) have been sent to the U.S. Environmental Protection Agency (USEPA) Region III; and two copies (replacement pages only) have been sent to the Virginia Department of Environmental Quality (VDEQ) in compliance with the submittal date of June 14, 1995. A total of 8 copies (comprised of Sections 1.0, 2.0, 3.0, 5.0 and Appendices B through G) will be presented to community members of the Restoration Advisory Board (RAB) at the RAB meeting scheduled for June 15, 1995. Additionally, a full three-ring bound copy of the 1996/1997 SMP will be presented to Mr. Jay Dewing (Community Co-chair) at the RAB. Seven copies (replacement pages only) of the 1996/1997 SMP will also be hand carried to WPNSTA Yorktown on June 15, 1995.

Because of the number of figures necessary to complete the Draft 1996/1997 SMP Update, copies (replacement pages only) will be sent to the remaining RAB members on Friday, June 16, by certified mail.

Should you have any questions, please do not hesitate to contact me (412) 269-2099.

Sincerely,

BAKER ENVIRONMENTAL, INC.

Richard F. Hoff
Activity Coordinator
