Re: Contract No. N62470-85-2-7974

Dear Ms. Wallace:

Enclosed are 15 copies (14 bound and 1 unbound reproducible) of the Final Draft Remedial Investigation (RI) Interim Reports for Cheatham Annex, Williamsburg and the Yorktown Fuels Division, Yorktown. As we discussed, I have provided you with copies for distribution. I have not forwarded any copies of these reports to the activities.

We appreciate your efforts in completion of the enclosed reports. If you have any questions concerning the enclosed documents, please call. We look forward to the TRC meeting scheduled for March 28, 1989. Since RI findings to date were presented at the initial TRC meeting, we need to discuss the presentation approach for the March 28 meeting. Please call me at your convenience.

Sincerely,

DAMES & MOORE
