Remedial Investigation Sampling and Analysis Plan Response to Comments
Youth Pond
Naval Weapons Station Yorktown
Cheatham Annex
Williamsburg, Virginia

Dear Mr. Park:

The Virginia Department of Environmental Quality (DEQ) has received the *Remedial Investigation Sampling and Analysis Plan Response to Comments* (SAP RTCs) for the Youth Pond site at Naval Weapons Station Yorktown, Cheatham Annex (CAX), Williamsburg, Virginia. The SAP RTCs, prepared by CH2M HILL, was received by the DEQ (electronically) on September 10, 2012.

Thank you for providing the DEQ's Office of Remediation Programs the opportunity to review the above-referenced SAP RTCs. Subsequent to DEQ's internal review and discussion of the SAP RTCs during the CAX Partnering Meeting on September 13, 2012, this office concurs with the proposed text revisions and recommends submittal of the *Final Remedial Investigation Sampling and Analysis Plan*.

Please contact me at (804) 698-4125 or wade.smith@deq.virginia.gov with any additional questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Wade M. Smith'.

Wade M. Smith
Remediation Project Manager
Office of Remediation Programs
