**Subject:** CAX Site 7 UFP-SAP RTC Letter

To All:

Attached is a copy of the RTC letter to the EPA, responding to their comments on the CAX Site 7 UFP-SAP (comments received 5/10). A hard copy of this letter is also being sent to everyone as well. Wade, the SAP has been revised to reflect your comments (received 4/22) to update your e-mail address. We will not a send an RTC letter unless you need one for your records. (Please advise if you do.)

Our plan is agreement on the RTC letter, then revision to the Site 7 UFP-SAP as indicated and submission of the final SAP (with no draft final in between). Does this work for everyone? If you would like to see a copy of the SAP w/ the revisions BEFORE agreeing to the RTCs, then please let me know as soon as you can. We are anticipating RTC agreement in September and fieldwork in October.

If anyone has any questions or comments, please let Marlene or me know.

Thanks,
