Subject: *Site 7 – Old Dupont Disposal Area, Site Inspection Work Plan and Sampling and Analysis Plan, Naval Weapons Station Yorktown Cheatham Annex, Williamsburg, Virginia, January 2011*

Dear Ms. Parra:

EPA has reviewed the Navy's responses to comments emailed on January 14, 2011 as well as the final version of the above referenced document and has no further comments. EPA agrees with the Path Forward described in the January 21, 2011 email from Chris Murray that states that we will discuss sediment and the York River after completing the work outlined in the above referenced document.

If you have any questions, please feel free to call me at (215) 814-3394.

Sincerely,

Susanne Haug, P.E.
