Re: Draft Final Proposed Plan  
Site 11: Bone Yard  
Naval Weapons Station Yorktown, Cheatham Annex, Williamsburg, Virginia

Dear Mr. Murray:

The U.S. Environmental Protection Agency (EPA) has reviewed the above referenced report and would like to submit the following comments:

1. Please update the public comment period dates on Pages 1 and 11.
2. Please reformat Page 7 so that the line that starts with "was conducted..." follows below the line that starts with "compared to PRGs..." instead of next to it.
3. Please delete the second box titled "What is Ecological Risk and How is it Calculated?" on Page 10.

With completion the revisions listed above, EPA finds the report to be acceptable. If you have any questions, please call me at (215) 814-3394.

Sincerely,

Susanne Haug, P.E.
