Re: Nomination of the Bracken Road Incinerator as Site
Screening Area 24 at Naval Weapons Station Yorktown,
Yorktown, Virginia

Dear Mr. Thomson:

Your letter of June 20, 1996 outlined the rationale for nominating the Bracken Road Incinerator as a Site Screening Area (SSA). The Navy agrees with EPA's decision to nominate the Bracken Road Incinerator as an SSA. Assuming that the Commonwealth agrees with the SSA 24 nomination, the Bracken Road Incinerator will be included in the Draft Final FY 1997/98 Site Management Plan (SMP). However, please note that we will not include SSA 24 in Section 5.0 of the Draft Final FY 1997/98 SMP until the SSA can be considered and included in our next budget revision. We will however include SSA 24 in Section 2.0 of the Draft Final 1997/98 SMP. If the budget allows, we will try to have SSA 24 included in the schedule outlined in Appendix F, Figure (F-2) of the Draft FY 1997/98 SMP.

If you have any questions, please do not hesitate to contact me at (804) 322-4778.

Sincerely,
