Re: Naval Weapons Station, Yorktown, Va.
Review of draft final 1996-1997 *Site Management Plan*

Dear Mr. Stryker/Mr. Hatchett:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's draft final 1996-1997 *Site Management Plan* for the Naval Weapons Station-Yorktown (WPNSTA) NPL facility, and we offer the following comments as outlined below:

1. EPA is anticipating the finalization of an "action" Record of Decision for the WPNSTA in the FY 1996-1997 timeframe.
2. Certain dates listed in Table 5-6 appear to be incorrect, i.e. ROD for Site 16 & SSA 16, etc. Please update this Table in the final 1996-1997 *Site Management Plan*.

This concludes EPA's comments on the Navy's draft final 1996-1997 *Site Management Plan* for the WPNSTA. If you have any questions regarding the above, please feel free to call me at (215) 597-1110,

Sincerely,

Robert Thomson, PE
