THE VIRGINIA GAZETTE

**Public Notice Record of Decision Available
for
Site 28: Building 28 X-Ray Facility Tank Drain Field
Naval Weapons Station Yorktown**

The U.S. Department of the Navy (the Navy) announces the availability of Record of Decision (ROD) for Site 28, located at Naval Weapons Station (WPNS-TA) Yorktown, Yorktown, Virginia. The ROD documents the Navy's cleanup plan for Site 28, which consists of no action, and the basis for selecting this action.

The Site 28 ROD was issued jointly between the Navy and the U.S. Environmental Protection Agency and was reviewed and agreed to by the Virginia Department of Environmental Quality.

A public comment period on the proposed remedial action plan was held from July 26 to September 9, 2010. Final signature for the Site 28 ROD was completed on June 9, 2011. The ROD for Site 28 describes the basis for the decision. A public meeting was held on August 18, 2010, and no members of the public attended. In addition, no questions or comments were received during the public comment period and this information was included in the Responsiveness Summary which is incorporated into the ROD. The action selected for all media at Site 28 was No Action.

The ROD will be available for public viewing for 30 days (July 5 – August 3, 2011) in the WPNSTA Yorktown Information Repository in the York County Public Library at 8500 George Washington Memorial Highway, Yorktown, VA

A copy of the ROD and all documents that formed the basis for selection of the action are available in the Administrative Record file.
