**RE: Response to Comments on Draft Feasibility Study Report for Groundwater at Site 22  
Naval Weapons Station Yorktown  
Yorktown, Virginia**

Dear Mr. Kowalski:

The Virginia Department of Environmental Quality (DEQ) has received the *Response to Comments* (RTCs) on the *Draft Feasibility Study Report for Groundwater at Site 22* (Draft FS Report) for Naval Weapons Station Yorktown, Yorktown, Virginia. The RTCs, generated in response to the DEQ's August 25, 2010 comments on the June 2010 Draft FS Report, were received on September 16, 2010.

Thank you for providing the DEQ's Office of Remediation Programs the opportunity to review the above-referenced Draft FS Report RTCs. Subsequent to DEQ's internal review, this office has no additional comments, and recommends preparation of the *Final Feasibility Study Report for Groundwater at Site 22*.

Please contact me at (804) 698-4125 or [wade.smith@deq.virginia.gov](mailto:wade.smith@deq.virginia.gov) with any additional questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Wade M. Smith".

Wade M. Smith  
Remediation Project Manager  
Office of Remediation Programs
