Linda -

Attached is copy of transmittal letter for hard copies sent to Rob Thomson.

>>> Don Joiner 6/1/2007 4:12 PM >>>

I had an action item from our May meeting to revise the NWSY Site 3 Tech Memo based on discussions and comments during the meeting. The attached Revised Draft Tech Memo includes a discussion on site risks (human health and eco) as well as select risk and data tables from the RI.

I will print 4 hard copies of this document and mail these to Rob.
