Re: Draft Final Record of Decision (ROD) for Operable Unit No. I, Site 5, Surplus Transformer Storage Area, Naval Weapons Station Yorktown, Yorktown Virginia.

Dear Ms. Norton:

The Federal Facilities staff has reviewed the Draft Final Record of Decision (ROD) for Operable Unit No. I at the above referenced facility. Please note that of the 8 comments submitted on the draft ROD letter dated April 27, 1994 from Lisa Ellis, it appears that only comments 3 and 5 have been addressed in the draft final ROD. Comment 7 did not require a response. The rationale for not addressing these comments should be provided with the draft final ROD.

In addition, a typographical error was noted on page 10-1, first paragraph, last sentence. The word "not" should be deleted.

If you have any questions, please feel free to contact me at (804) 762-4202.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Mihalko".
