Dear Mr. Park:

Enclosed for your use are three copies each of the Final Reports for Delivery 0169 and Task Order 0040.

The Final Reports reflect the Navy's review comments of both documents. By copy of this letter IT is transmitting copies of the reports to the ROICC, Base Environmental, USEPA and VDEQ. The CD that you request will be submitted under separate cover in about two weeks because we need to scan the manifest documents.

Please call if you have any questions concerning the attached information.

Very truly yours,

Joseph W. Colella, P.E.
Sr. Project Manager
