RE: Tank Closure Report, Tank Quarters I, Quarters I,
Naval Air Station Cecil Field, Florida.

Dear Mr. Kizer:

I have completed the technical review of the Tank Closure Report, dated June 1998 (received July 8, 1998) submitted for the above-referenced building. FDEP concurs with the recommendation of no further action and that a Site Assessment is not warranted under Chapters 62-770, Florida Administrative Code.

FDEP's concurrence is predicated on the information provided by the SOUTHNAVFACENCOM. Therefore, any new information contradicting the basis for this concurrence, may require further investigation or remedial actions.

If you have any concerns regarding this letter, please contact me at (904) 921-9991.

Sincerely,

Michael J. Deliz, F.G.
Remedial Project Manager
