Subject: Transmittal of Updated Administrative Record  
Naval Air Station Cecil Field, Jacksonville, Florida

Dear Mr. Davidson:

Please find enclosed one copy of the subject updated Administrative Record (AR) which includes a hard copy of the overview and index and the CDs. The six CDs sent with this update will replace five CDs from the last update. The AR (hard copy of the overview and index and CDs) has been established at Building 907, NAS Cecil Field, Jacksonville, Florida. A copy of the above is also being submitted to each of the NAS Cecil Field Partnering Team members noted below.

Remove the compact disks from the holders in the October 2004 version and replace them with the new CDs. Also replace the Overview and Index pages with the updated pages as necessary. For those on the distribution list that have received a single DVD, the DVD will replace all 6 CDs or the single DVD from previous mailings.

If you have any questions, please call me at (412) 921-8916 or Gary Dutka at (412) 921-8214.

Very truly yours,
