RE: Supplemental Soil Assessment Letter Report for Tank G290-A,  
Naval Air Station Cecil Field, Florida

Dear Mr. Davidson:

I have completed my review of the Supplemental Soil Assessment Letter Report for Tank G290-A, Naval Air Station Cecil Field, dated November 9, 2006 (received November 13, 2006). The report is adequate for its intent. I concur with the recommendations to excavate contaminated soil and conduct post-excavation confirmatory sampling of groundwater.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.  
Remedial Project Manager
