RE: UST Removal Report, UST Removal at Building 141, Tank Number G141LS, Naval Air Station Cecil Field, Jacksonville, Florida

Dear Mr. Ugolini:

I have completed the review of the UST Removal Report, UST Removal at Building 141, Tank Number G141LS, Naval Air Station Cecil Field, dated April 2001 (received April 16, 2001), prepared and submitted by CH2M Hill Constructors, Inc. The tank closure was conducted in accordance with Chapter 62-761, Florida Administrative Code. The UST Removal Report adequately documents that the site is not contaminated by petroleum products. Therefore, you are not required to conduct further site assessment in accordance with Chapter 62-770, Florida Administrative Code.

If I can be of any further assistance with this matter, please contact me at (850) 488-3693.

Sincerely,

David P. Grabka
Remedial Project Manager
