Contract Task Order JM09

Subject: Draft Sampling and Analysis Plan for Petroleum Sites: Jet Engine Test Cell; North Fuel Farm; Day Tank 1; Building 46; and Building 271
Naval Air Station Cecil Field
Jacksonville, Florida

Dear Mr. Sanford:

Enclosed please find one copy of the subject deliverable. Copies have been sent to the members of the NAS Cecil Field Partnering Team for their review and comment as noted below. This document was previously reviewed by the Navy Chemist and his comments have been addressed. Regulatory review and corresponding approval or comment letter is requested. U.S. EPA review is not required. Changes will be made based on any comments received, and incorporated into the Final document. The Final version is to be signed by all persons named on the title page prior to final distribution and implementation.

If you have any questions, please call me at 412-921-8163 or Megan Boerio at 412-921-7271.

Sincerely,

Robert F. Simcik, P.E.
