Subject: Sampling and Analysis Report Addendum for Building 289, NAS Cecil Field,
Jacksonville, Florida. Revision 0

Dear Mr. Davidson:

The U.S. Environmental Protection Agency (EPA) has completed reviewing the subject document dated July 2000, and find it adequate for its intended purpose. This letter provides concurrence for the no further action disposition and the BRAC classification change to 3/Light Green.

EPA's review is based on available information presented by the Navy. If future information is made available which changes this decision, further investigation may be required.

Please contact me at 404/562-8539, if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Deborah A. Vaughn-Wright".
