Subject: EPA Approval of Building 605 Groundwater Monitoring Work Plan

Hi all-

EPA has reviewed the darft Groundwater Monitoring Work Plan for Building 605. You may finalize the work plan and proceed with the proposed sampling. Please let me know if you have any questions.

Thanks,
Dawn

Subject: Building 605 Groundwater Monitoring
Work Plan

> Attached is the Groundwater Sampling Work Plan for Building 605. This
> work plan was required because the other groundwater sampling events
> at
> building 605 were conducted under the Air Sparge Treatability Study
> and
> did not cover monitoring on a semi-annual basis. Building 605 is
> scheduled to be sampled during the same mobilization as the other
> sites
> (3, 5, 8, 11, 16, 17, and 36&37) beginning next week on 1/28/02. A

formal

> hard copy of this draft WP is being sent via FedEx later today. We will

> hold the sampling of building 605 to the end, however your prompt review

> would be appreciated. Thank, Rob.
