RE: Closure Report, Revision 1, Tank G616, Building 616,
Naval Air Station Cecil Field, Florida.

Dear Mr. Kizer:

I have completed the technical review of the Closure Report and revision page, dated May 1998 (received May 27, 1998) and July 1998 (received July 27, 1998), respectively, for the above-referenced building. FDEP concurs with the recommendation of no further action and that a Site Assessment is not warranted under Chapters 62-770, Florida Administrative Code.

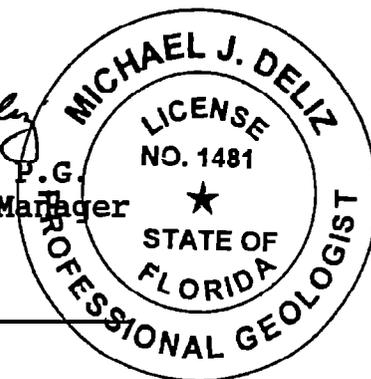

FDEP's concurrence is predicated on the information provided by the SOUTHNAVFACENGCOM. Therefore, any new information contradicting the basis for this concurrence, may require further investigation or remedial actions.

If you have any concerns regarding this letter, please contact me at (904) 921-9991.

Sincerely,

Michael J. Deliz
