RE: Source Removal Report, Underground Storage Tank Removal at
Building 872, Tank G872LS, Naval Air Station Cecil Field,
Florida.

Dear Mr. Ugolini:

I have completed the technical review of the Source Removal Report, Underground Storage Tank Removal at Building 872, Tank G872LS, Naval Air Station Cecil Field, dated November 2000 (received April 24, 2001), prepared and submitted by CH2M Hill Constructors, Inc. I concur with the recommendation of no further action and that a further Site Assessment is not warranted under Chapters 62-770, Florida Administrative Code. Please note that the Department previously issued a Site Rehabilitation Completion Order for this site on December 3, 1998.

FDEP's concurrence is predicated on the information provided by the SOUTHNAVFACENGCOM. Therefore, any new information contradicting the basis for this concurrence, may require further investigation or remedial actions.

If you have any concerns regarding this letter, please contact me at (850) 921-9991.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager

"Protect, Conserve and Manage Florida's Environment and Natural Resources"

Mr. Nick Ugolini
