Subject: Sampling and Analysis Report for Building 880, Revision 1.0, NAS Cecil Field,
Jacksonville, Florida

Dear Mr. Davidson:

The U.S. Environmental Protection Agency (EPA) has completed reviewing the subject document and find it adequate for its intended purpose. This letter provides approval for no further action at Building 880 and concurs with the revised BRAC designation of 4/Dark Green.

EPA's review is based on available information presented by the Navy. If future information is made available which changes this decision, further investigation may be required.

Please contact me at 404/562-8539, if you have any questions.

Sincerely,

Deborah A. Vaughn-Wright
Remedial Project Manager
