Subject: Final Site Management Plan for Calendar Year 2012
NAS Cecil Field, Jacksonville, FL (FL5170022474)

Dear Mr. Sanford:

The U.S. Environmental Protection Agency (EPA) has received and reviewed the Final Site Management Plan (SMP) for Calendar Year 2012 for NAS Cecil Field, Jacksonville, FL dated September 2011. The document reflects all of the changes discussed by the Cecil Field BRAC Cleanup Team and is adequate for its intended use. The EPA is providing approval of the Calendar Year 2012 SMP.

Thank you for the efforts made this year to update the SMP format to reflect requirements of the Federal Facility Agreement. The new format should better serve the Cecil Field BRAC Cleanup Team and help us move forward with the remaining projects. If you have any questions, please contact me at 404-562-8539 or at Vaughn-wright.debbie@epa.gov.

Sincerely,

Deborah
