RE: Field Task Modification Request to the Sampling and Analysis Plan for BOA Petroleum Sites (March 2011), Building 46, Former Naval Air Station Cecil Field, Jacksonville, Florida.

Dear Mr. Sanford:

I have completed my review of the Field Task Modification Request to the Sampling and Analysis Plan for BOA Petroleum Sites (March 2011), Building 46, Former Naval Air Station Cecil Field, dated June 6, 2012 (received by e-mail on June 8, 2012), prepared and submitted by Tetra Tech NUS, Inc. The change to the Sampling and Analysis Plan is consistent with what was agreed to in previous discussions and is therefore approved.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
