SUBJECT: Final Technical Memorandum for Potential Source of Contamination (PSC) 12.  
NAS Cecil Field, Jacksonville, FL

Dear Mr. Davidson:

The U.S. Environmental Protection Agency has completed its review of the subject report. EPA concurs with the no further action disposition for this site.

Our decision and concurrence is based upon information available within this report. If information becomes available which contradicts the current conclusion, further investigation or remedial action may be needed.

Sincerely,

A handwritten signature in black ink that reads "Deborah A. Vaughn-Wright".
