Dear Mr. Davidson:

I have completed my review of the Draft Record of Decision for Operable Unit 12, Old Golf Course, NAS Cecil Field, dated May 2002 (received May 8, 2002). The document is suitable for its intent. The Department concurs with the decision that No Further Action is required at this site. If no public comment challenging the selected remedy of No Further Action is received and EPA likewise approves this document, the Record of Decision may be finalized.

This electronic message is being sent in lieu of regular mail. If you have any questions concerning this review, please contact me at (850)921-9991.

Sincerely,
