RE: Truck Stand Site, Facility 372, Semi-Annual/Annual Groundwater  
Monitoring Report, Naval Air Station Cecil Field,  
Florida.

Dear Mr. Ugolini:

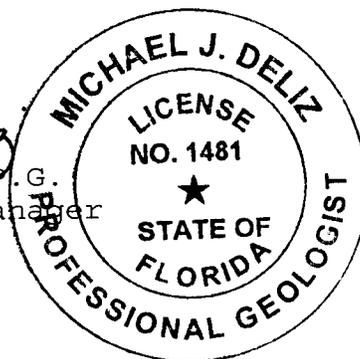

I have completed the technical review of the Annual  
Groundwater Monitoring Report, dated May 2000 (received June 1,  
2000) submitted for the above-referenced site. FDEP concurs that  
semi-annual groundwater monitoring should continue in 2000/2001.  
In addition, FDEP concurs with the proposed soil excavation in  
the vicinity of monitoring well CEF-372-13.

If you have any concerns regarding this letter, please  
contact me at (850) 921-9991.

Sincerely,
