North Fuel Farm Site  
Naval Air Station Cecil Field  
Jacksonville, Florida  
Contract No. N62467-89-D-0317/090**

Dear Mr. Deliz:

Attached please find two copies of Revisions I and II to the North Fuel Farm (NFF) Remedial Action Plan (RAP) dated January 1997. The revisions to the RAP address questions raised during the NAS Cecil Field partnering meeting concerning groundwater contamination in the JP-5 Spill area and surface and subsurface soil contamination across the site.

It is my understanding that the attached revisions to the RAP provide the necessary information for the approval of the NFF RAP. If you have any questions or comments concerning this letter and the attachments, please contact Mr. Bryan Kizer at (803) 820-5896. Thank you.

Very truly yours,
