Re: Zone C & I Final RCRA Facility Investigation
(RFI) Workplan Changes, dated April 15, 1996
Charleston Naval Shipyard
SC0 170 022 560

Dear Commander Dalby:

The South Carolina Department of Health and Environmental Control (Department) and the Environmental Protection Agency (EPA) have reviewed the above referenced Zone C and I RFI Workplan changes in accordance with the South Carolina Hazardous Waste Management Regulations R.61-79 and the Charleston Naval Shipyard's Hazardous Waste Permit, effective June 5, 1990. Confirmation from EPA was received verbally by phone (Tapia - Brittain) on May 9, 1996. Based on this review the Charleston Naval Shipyard has adequately fulfilled the requirements of Permit Condition IV.C.4., and the Department hereby approves Zone C and I RFI Workplan changes in accordance with Permit Condition IV.G.1.

Should you have any questions regarding this issue, please contact Johnny Tapia at (803) 896-4179.

Sincerely,

John Litton, P.E., Manager
Hazardous Waste Permitting Section
Bureau of Solid & Hazardous Waste Management
