Subj: REQUEST FOR NO FURTHER ACTION FOR AREA OF CONCERN 707

Dear Mr. Litton,

By this letter, the Navy is requesting a No Further Action (NFA) determination for Area of Concern (AOC) 707, Zone I, located at the Charleston Naval Complex. This request is submitted to fulfill the requirements of condition II. H.1. of the RCRA Part B permit issued to the Navy by the South Carolina Department of Health and Environmental Control and the U.S. Environmental Protection Agency.

This site and the recommendation for a NFA have been discussed by the BCT. An Interim Measures Completion Report was submitted, but did not contain recommendations. If you should have any questions, please contact Amy Daniell or myself at (843) 743-2985 and (843) 743-2063 respectively.

Sincerely,
