Charleston Naval Complex (CNC) SC0 170 022 560

Dear Mr. Hunt:

The Environmental Protection Agency, Region 4 (EPA) has reviewed the above referenced document. The historical data and any new data were appropriately reviewed and discussed. Comments generated by SCDHEC during earlier revisions were addressed appropriately. Therefore, the The Agency concurs with the proposal that "No Further Action" is necessary at this site and assigns NFA status to this SWMU. It is noted that these specific areas may be transferred without land use restrictions, should the Navy so choose.

Please contact me at (404) 562-8552 or [spariosu.dann@epa.gov](mailto:spariosu.dann@epa.gov) with any questions or responses regarding this matter.

Sincerely,

Dann J. Spariosu, Ph.D.  
Remedial Project Manager
