RE: Final Interim Measure Work Plan
AOC 574 (Fuel Tank Site at Building 9)
Submitted February 05, 1997
Charleston Naval Shipyard
SC0 170 022 560

Dear Commander Rose:

The South Carolina Department of Health and Environmental Control (Department) has received and reviewed the above referenced document. Comments generated by the Department on the draft version of this Work Plan have been adequately addressed.

Based on the above, the Department approves the Final Interim Measure Work Plan for AOC 574. A complete report should be submitted within 90 days after completion of the work at the site.

If you have any questions please contact Johnny Tapia (803)896-4179 or Paul Bergstrand at (803)896-4024.

Sincerely,

John T. Litton, P.E., Section Manager
Hazardous Waste Permitting Section
