RE: Final Interim Measure Work Plan
AOC 611 (Grease Rack and Hobby Shop, Bldg.. 1264)
Submitted September 3, 1997
Charleston Naval Shipyard
SCO 170 022 560

Dear Commander Rose:

The South Carolina Department of Health and Environmental Control (Department) has received and reviewed the above referenced document. Comments generated by the Department on the draft version of this Work Plan have been adequately addressed. The Environmental Protection Agency suggested approval of the above referenced Work Plan on letter dated August 7, 1997.

Based on the above, the Department conditionally approves the Final Interim Measure Work Plan for implementation at AOC 611, to meet the objectives stated in section 1, page 3 of the work plan. Final approval is subject to the submittal of a schedule of implementation of work. In accordance with condition IV.D.6. of the current RCRA permit, a complete report should be submitted within 90 days after completion of the work at the site.

If you have any questions please contact Johnny Tapia (803) 896-4179 or Paul Bergstrand at (803) 896-4016.

Sincerely,

Joan Hartley, Manager
Corrective Action Engineering Section
Bureau of Land and Waste Management
