RE: Approval of *Draft Final Well Sampling Report MW117401 at B1174*
Charleston Naval Complex (CNC)
SC0 170 022 560

Dear Mr. Criswell:

The Department of Defense Corrective Action Section of the South Carolina Department of Health and Environmental Control (Department) received the above referenced document on February 20, 2014. The Department reviewed the document with respect to the CNC RCRA Hazardous Waste Permit. The Department approves the document. This approval constitutes concurrence with abandonment of MW117401. Please submit an abandonment request for well MW117401 with a brief description of the abandonment process. Additionally please include information about Building 1174 in the dig permit that will be issued based on Clemson's request.

If you have any questions regarding this issue, please contact me at (803) 898-0368.

Sincerely,

Meredith Amick, P.E., Environmental Engineer
DOD Corrective Action Section
Division of Waste Management
Bureau of Land and Waste Management
