RE: CNB - BLDG 647
Site Identification # 01165 (Release #2)
Groundwater Assessment Report received 25 January 2006
No Further Action
Charleston County

Dear Mr. Magwood:

The Department has reviewed the referenced assessment report. As submitted, the report documents efforts to analyze groundwater for hydrocarbon contamination at the subject site. Based on this review, there were no detections of petroleum contamination in groundwater at the site.

Based on the information and analytical data submitted, the Department recognizes that the Navy has adequately addressed the known environmental contamination identified on the property to date in accordance with the approved scope of work. Consequently, no further investigation is required at this time. Please note, this statement pertains only to the portion of the site addressed in the referenced report and does not apply to other areas of the site and/or any other potential regulatory violations. Further, the Department retains the right to request further investigation if deemed necessary.

Should you have any questions please contact me at 803-898-3553 (office phone), 803-898-2893(fax) or by e-mail bishopma@dhec.sc.gov.

Sincerely,

Michael A. Bishop, Hydrogeologist
