Re: CNB - AST 501
Site Identification # 01804
Tank Closure Report received 13 July 2001
No Further Action
Charleston County

Dear Mr. Magwood:

The Department has reviewed the referenced report. As submitted, the report documents closure of one 114,000-gallon AST at the referenced site. Based on this report, no evidence of hydrocarbon contamination was present at the subject site.

Based on the information submitted, the Department recognizes that the Department of the Navy has adequately addressed the known environmental contamination identified on the property to date in accordance with the approved scope of work. Consequently, no further investigation is required at this time. Please note, this statement pertains only to the portion of the site addressed in the referenced report and does not apply to other areas of the site and/or any other potential regulatory violations. Furthermore, the Department retains the right to request further investigation if deemed necessary.

Should you have any questions, please contact me at 803-898-3553 (office phone), 803-898-3795 (fax) or bishopma@columb32.dhec.state.sc.us.

Sincerely,

Michael Bishop, Hydrogeologist
