Dear Mr. Magwood:

The author has completed technical review of the referenced document. As submitted, the CAP (corrective action plan) provides for soil remediation (dig and haul) at the subject property. Based on available information, the proposed corrective actions appear reasonable and the facility may proceed as appropriate. Should you have any questions please contact me at (803) 898-3559 or [bristolpl@columb32.dhec.state.sc.us](mailto:bristolpl@columb32.dhec.state.sc.us) (e-mail).
