Sampling and Analysis Plan received December 19, 2000  
Charleston County

Dear Mr. Magwood:

The Department has completed technical review of the referenced document. As submitted, the plan provides for additional investigative activities to determine the extent and severity of contamination, if any, associated with a suspected release from the referenced UST. Based on the information provided, the proposal to perform soil and groundwater sampling is approved for implementation.

Installation and/or abandonment of all temporary and permanent sampling points will be in accordance with the technical specifications and descriptions provided and/or referenced in the submittal or as approved by the Department. Upon completion of investigative activities, the Department shall be provided with a report of findings.

Should you have any questions please contact me at 803-898-3553 (office phone), 803-898-3795 (fax) or by e-mail [bishopma@columb32.dhec.state.sc.us](mailto:bishopma@columb32.dhec.state.sc.us).
