*File CNB-GENERAL*

Dear Ms. Ragan,

I would like to invite you to the environmental Restoration Advisory Board (RAB) organizational meeting scheduled for 9:00 a.m. on Tuesday, March 8, 1994, at Naval Base, Charleston Headquarters (Building NH-45) in the Executive Conference Room. The meeting agenda is provided as an enclosure to this letter.

Meeting emphasis will be to formally establish the RAB as a body. Guidelines for implementing the charter will be discussed. Another significant aspect of this meeting is to provide you information on the environmental base closure plan which will require our immediate attention. Prior to adjournment, we will finalize the procedures and schedule for selecting a RAB co-chair from one of the community members at large.

I am providing a vehicle pass which will allow you access to the Naval Base. I suggest you enter through Gate 4 on St. John's Avenue. You may park in front of the Naval Legal Service Office or in the adjacent parking lot.

I look forward to seeing you at the meeting. Should you have any questions, please feel free to contact me at 743-2670. At a minimum, I would appreciate you calling my environmental director, Mr. David Sealander, at 743-9629 by March 2nd to confirm your attendance at the meeting. If you are unable to attend, we will need to make arrangements to deliver you reading material and a copy of the charter for signature.

Sincerely,

C. A. TZOMES  
Captain, U.S. Navy
