Meeting Minutes:

- Transects (grid) have been completed at Incinerator Disposal Site and most of the Skeet Range and Pistol Range.
- Possible MEC was found at the Skeet Range, only MC was expected to be found.
 - Helen to contact Rick Urbanski of NOSSA with notice of MEC found and plan to proceed with sampling at Pistol Range and Incinerator Disposal Site (with UXO support). Will check in with rest of team once response has been received from NOSSA.
- Skeet and Pistol Range Work Plan may need possible adjustment to include UXO avoidance procedures.
- The grid is being sampled from the outside inward, data is being transferred to Travis at NAS Corpus Christi for GIS recording
- Two UXO techs will remain to assist with the sampling at the Skeet and Pistol Range
- Gary will contact Caroline Schiebel related to EOD notifications about the potential MEC identified and tagged at the Incinerator Disposal Site and Skeet Range.
- After some discussion, the team agreed to have the Triad conference call twice a week. The next call will be at 3:00 CDT on Monday, April 28, 2008.

The meeting adjourned at approximately 4:00 pm.
