Re: Release of Petroleum Hydrocarbons at the Carswell Air Force Base Naval Air Station FortWorth Joint Reserve Base, POL Tank Farm Site ST14, located at Carswell (NAS Ft. Worth JRB) (Tarrant County), Texas

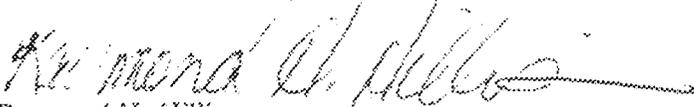

Dear Mr. Taffinder:

This Office has received your report entitled Remedial Action Plan for the Risk-Based Remediation of Site ST14. However, we will not be able to complete the review of the remedial action plan until the risk evaluation team has had an opportunity to completed their review of your submitted Plan B risk-based assessment.

Once the the risk-based assessment has been evaluated by this Office, a timely review of the remedial action plan will occur. You can expect a response from this Office thirty within (30) days from the completion of the evaluation of the risk-based assessment.

Should you have any questions concerning the risk-based assessment please contact Kwaku Siriboe, at 512/239-2200. I can give any assistance with questions concerning the remedial action plan and can be contacted at the number listed above. Your cooperation in this matter is appreciated.

Sincerely,

  
Raymond H. Hillis  
Coordinator, Remediation Unit III  
Responsible Party Remediation Section  
Petroleum Storage Tank Division
