Dear Mr. Rice:

We have completed our review of the Draft Assessment Report Form (ARF) and Plan B Risk Assessment, submitted to this Office on June 1997. After careful review of all the data provided and pursuant to Title 30, Texas Administrative Code (TAC), Section 334.71 - 334.85, we conclude the submitted draft documents satisfy the requirements of RG-175 entitled *Guidance for Risk-Based Assessments at LPST Sites in Texas*, and RG-36 entitled *Risk-Based Corrective Action for Leaking Storage Tank Sites*. Please proceed to submit the above-mentioned documents in their final stage so that the 30-day mandated review can take place.

We appreciate your cooperation in this matter. **Please note that all correspondence must include the LPST ID Number and should be submitted to both the local TNRCC Regional office and to the Central Office in Austin.** Should you have any questions, please contact me at 512/239-2200.

Sincerely,
